

**Recommendation letter for Vladislav Gurabanidze (EB-1A Extraordinary Ability Petition)**

Dear USCIS Officer:

I am pleased to write this letter of recommendation in support of Vladislav Gurabanidze visa petition as an alien of extraordinary ability in IT and Web technologies.

I found Mr. Gurabanidze to be a highly skilled and hardworking individual; he certainly is one of the best and most unique talents I have come across in many years in Georgia and abroad. In my opinion he made major contributions to the development of web technologies in Georgia.

My name is Giorgi Kavtaradze. I am a US resident and I live in Florida, USA.

In my opinion Gurabanidze stands out as an exemplary professional who will make considerable contributions to the US IT culture and industry.

It is my sincerest hope and recommendation that Mr. Gurabanidze be granted EB-1A visa status as a professional of extraordinary ability, because that is exactly what he is.
