### Employment-Based Immigration: First Preference EB-1

You may be eligible for an employment-based, first-preference visa if you are an alien of extraordinary ability, are an outstanding professor or researcher, or are a certain multinational executive or manager. Each occupational category has certain requirements that must be met:

#### \* Criteria for Demonstrating Extraordinary Ability

In order to demonstrate you have sustained national or international acclaim and that your achievements have been recognized in your field of expertise, you must either include evidence of a one-time achievement (major internationally-recognized award) or 3 of the 10 listed criteria below (or comparable evidence if any of the criteria do not readily apply):

1. Evidence of receipt of lesser nationally or internationally recognized prizes or awards for excellence.
2. Evidence of your membership in associations in the field which demand outstanding achievement of their members.
3. Evidence of published material about you in professional or major trade publications or other major media.
4. Evidence that you have been asked to judge the work of others, either individually or on a panel.
5. Evidence of your original scientific, scholarly, artistic, athletic, or business-related contributions of major significance to the field.
6. Evidence of your authorship of scholarly articles in professional or major trade publications or other major media.
7. Evidence that your work has been displayed at artistic exhibitions or showcases.
8. Evidence of your performance of a leading or critical role in distinguished organizations.
9. Evidence that you command a high salary or other significantly high remuneration in relation to others in the field.
10. Evidence of your commercial successes in the performing arts.

**Dear Immigration Officer:**

The following evidence is respectfully submitted in support of **Mr. Vladislav Gurabanidze (scientist)** petition for classification as a qualified immigrant under the preference of aliens with extraordinary ability. This evidence will specifically demonstrate that **Mr. Vladislav Gurabanidze** qualifies for the classification under Section 203(b)(1)(A) of the Immigration and Nationality Act [8 U.S.C. 1153] as an alien with extraordinary ability due to the following reasons:

**Part 1) Mr. Vladislav Gurabanidze** possesses extraordinary ability in **science**, specifically in **IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**, which has been demonstrated by sustained national and international acclaim and his achievements have been recognized in the field through extensive documentation. (Please refer to **Section 1.**)

**Part 2) Mr. Vladislav Gurabanidze** has a level of expertise indicating that he is one of that small percentage who has risen to the very top of the **science [computer science] (specifically in IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**. (Please refer to **Sections 1 [A], Sections 1 [B], Sections 1 [C].**)

**Part 3) Mr. Vladislav Gurabanidze** provides evidence that he satisfies **9 [nine] (i, ii, iii, v, vi, vii, viii, ix, x) (1, 2, 3, 5, 6, 7, 8, 9, 10)** of ten (10) criteria listed in 8 CFR, Section 204.5(h)(3), namely:

**(Part 3.1)** Documentation of **Mr. Vladislav Gurabanidze** receipt of national and internationally recognized prizes and awards for excellence in the field of endeavor. (1. Evidence of receipt of lesser nationally or internationally recognized prizes or awards for excellence). (Please refer to **Section 1[1].**)

**(Part 3.2)** Documentary evidence of **Mr. Vladislav Gurabanidze** membership in major associations. (2. Evidence of your membership in associations in the field which demand outstanding achievement of their members). (Please refer to **Section 1[2].**)

**(Part 3.3)** Evidence of published material about **Mr. Vladislav Gurabanidze** in major trade publications and other major media. (journal, newspapers, websites, TV and etc.). (3. Evidence of published material about you in professional or major trade publications or other major media). (Please refer to **Section 1[3].**)

**(Part 3.4)** – N/A;

**(Part 3.5)** Evidence of the original contribution of **Mr. Vladislav Gurabanidze** of great importance to the science (Computer science, IT, Web, E-commerce). (5. Evidence of your original scientific, scholarly, artistic, athletic, or business-related contributions of major significance to the field). (Please refer to **Section 1[5].**)

**(Part 3.6)** Evidence of **Mr. Vladislav Gurabanidze** authorship of scholarly articles in the field in professional media. (6. Evidence of your authorship of scholarly articles in professional or major trade publications or other major media). (Please refer to **Section 1[6].**)

**(Part 3.7)** Evidence of **Mr. Vladislav Gurabanidze** work (web projects, web design) has been displayed at artistic exhibitions or showcases. (7. Evidence that your work has been displayed at artistic exhibitions or showcases). (Please refer to **Section 1[7].**)

**(Part 3.8)** Evidence of Mr. Vladislav Gurabanidze had (or/and) has performance of a leading or critical role in distinguished organizations. (8. Evidence of your performance of a leading or critical role in distinguished organizations). (Please refer to **Section 1[8]**.)

**(Part 3.9)** Evidence of Mr. Vladislav Gurabanidze had (or/and) has command a high salary or other significantly high remuneration in relation to others in the field. (9. Evidence that you command a high salary or other significantly high remuneration in relation to others in the field). (Please refer to **Section 1[9]**.)

**(Part 3.10)** Evidence of Mr. Vladislav Gurabanidze had (or/and) has commercial successes in the performing arts. (10. Evidence of your commercial successes in the performing arts). (Please refer to **Section 1[10]**.)

**Part 4) Mr. Vladislav Gurabanidze** work will substantially benefit prospectively the United States. (Please refer to **Section 2**)

**Part 5)** In the United States, Mr. Vladislav Gurabanidze plans to continue work in the area of **science [computer science] (specifically in IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**. (Please refer to the **Statement of Beneficiary on Work Plans in the United States (My useful ideas of IT and Web projects for the United States of America)**).

Pursuant to 8 CFR, Section 204.5(h)(1), Mr. Vladislav Gurabanidze may file an I-140 visa petition for classification under Section 203(b)(1)(A) of the Act as an alien of extraordinary ability on his own behalf.

**Pursuant to 8 CFR, Section 204.5(h)(5), neither an offer for employment in the United States nor a labor certification is required for this classification.**

**Mr. Vladislav Gurabanidze**

According to the organizers of the competition, there will be nothing left on the Georgian Internet soon except sites equipped with illegal music, movies and pornographic content. Georgian Internet is on the verge of extinction.

"National Internet Competition 2007" aims to improve this much worse situation.

The world internet is already at a new stage, with new conceptual technologies called Goes to WEB 2.0, while in Georgia the so-called pirated. "Varezuli" sites boom, say the organizers of the competition - the newspaper "Navigator" and "ITDC".

The main goal of the competition is to stimulate the creation of interesting and useful Georgian websites, online stores, blogs, social networks, children's and educational Internet resources.

This year's competition marathon started on June 26 and will end on September 26. Applications close on September 19th. Every person or group who has decided to create a site with an unfinished internet project or even at the idea level is given the opportunity to refine their own site and participate in the competition. Only Georgian sites created in 2006-2007 will be able to participate in the competition.

"Pirate" sites with illegal content will not be allowed to participate in the contest.

The competition is held in 8 categories, with solid cash prizes. In addition, in a separate nomination, the general sponsor of the competition, Magti, a cellular communication company, awards a prize for creating a Bali student website and image site in Bali.

In total, the prize fund is more than 7 thousand US dollars.

According to the organizers of the competition, there will be nothing left on the Georgian Internet soon except sites equipped with illegal music, movies and pornographic content. Georgian Internet is on the verge of extinction.

"National Internet Competition 2007" aims to improve this much worse situation.

The world internet is already at a new stage, with new conceptual technologies called Goes to WEB 2.0, while in Georgia the so-called pirated. "Varezuli" sites boom, say the organizers of the competition - the newspaper "Navigator" and "ITDC".

The main goal of the competition is to stimulate the creation of interesting and useful Georgian websites, online stores, blogs, social networks, children's and educational Internet resources.

This year's competition marathon started on June 26 and will end on September 26. Applications close on September 19th. Every person or group who has decided to create a site with an unfinished internet project or even at the idea level is given the opportunity to refine their own site and participate in the competition. Only Georgian sites created in 2006-2007 will be able to participate in the competition.

"Pirate" sites with illegal content will not be allowed to participate in the contest.

The competition is held in 8 categories, with solid cash prizes. In addition, in a separate nomination, the general sponsor of the competition, Magti, a cellular communication company, awards a prize for creating a Bali student website and image site in Bali.

In total, the prize fund is more than 7 thousand US dollars.
