

*** Criteria for Demonstrating Extraordinary Ability**

Section 1 [5]. Evidence of the original contribution of **Mr. Vladislav Gurabanidze** of great importance to the science (Computer science, IT, Web, E-commerce). (5. Evidence of your original scientific, scholarly, artistic, athletic, or business-related contributions of major significance to the field).

See documents (Section 1 [5]): <http://makler24.ge/doc/3/5/>

Section 1.5.1)

Vladislav Gurabanidze is the author of original web development.

Vladislav Gurabanidze holds a **patents** for web programs:

Web program: Program of job web project;

Web program: SMS Gateway web system;

Web program: Information and entertainment web portal;

Web program: Web system of hotels of Georgia;

Web program: Search engine web system;

Web program: Online internet shop system;

Web program: Informational web portal of Tbilisi city web program;

Authors rights: Vladislav Gurabanidze

Patents issued by **National Intellectual property center of Georgia**

Vladislav Gurabanidze has two patents;

- (Please see **exhibit 38**);

- (Please see **exhibit 39**);

Pages of peer-reviewed publication in journal “Sibac” authored by Vladislav Gurabanidze and translation of abstracts into English if it is necessary.

ISSN 2542-0011

Journal indexed in SCOPUS, VAK, RSCI (RINC).

The journal is included in the List of the leading reviewed scientific journals and editions (approved by the Higher Attestation Commission (VAK) by the Russian Ministry of Education and Science) published in the Russian Federation, which should contain the essential scientific results of theses of the authors pursuing degrees of candidate and doctor of sciences.

Russian Science Citation Index (Russian: RINC) is a bibliographic database of scientific publications in Russian. It accumulates more than 13 million publications of Russian authors, as well as information about citing these publications from more than 5000 Russian journals. The Russian Science Citation Index has been developed since 2005 by the Scientific Electronic Library eLIBRARY.RU. The information-analytical system Science Index is a search engine of this database; it offers a wide range of services for authors, research institutions and scientific publishers. It is designed not only for operational search for relevant bibliographic information, but is also as a powerful tool to assess the impact and effectiveness of research organizations, scientists, and the level of scientific journals, etc. The papers written in the Russian language are followed by an abstract and keywords in English. At the same time, every article or study written in one of the international languages (English) is followed by an abstract and keywords in English and Russian.

Vladislav Gurabanidze has been published in "Sibac" journal with peer-reviewed paper «OLD WEB TECHNOLOGIES AND PROGRAMMING LANGUAGES» in 18 May 2021.

The compilation will be published on the website <https://sibac.info> (dated: 18 May 2021).

THE SCIENTIFIC COMMUNITY OF STUDENTS:

«Interdisciplinary Research»

Electronic collection of articles based on the materials of the 116th student international scientific and practical conference

№9 (116)

May 2021

Published since December 2011

Novosibirsk city, 2021

Scientific publishing house "Sibac" specializes in scientific consulting, publishing scientific journals and holding conferences. We help scientists publish their articles in the Russian editions of VAK, RSCI (RINC), eLIBRARY.

We select an individual solution for articles of any complexity. We help authors prepare articles for publication; bring them in line with the requirements of publications of any level (RSCI, HAC-VAK).

We are working on the selection of the required journal and are negotiating the publication with the appropriate publication.

Reviewers:

Andreeva Lyubov Alexandrovna - Ph.D. in Law, Associate Professor of the Department of Theory and History of State and Law, ANO VO "Open University for the Humanities and Economics", Moscow. and others.

www.americancorners.ge

AMERICAN CORNERS

Bringing America to Georgia

American Corners are small, American-style community centers located in libraries and other public spaces. They operate through joint partnerships to promote cooperation and understanding

between the people of the United States and Georgia by providing accurate information about the

U.S. Access to American Corners and their collections are free and open to all interested Georgians of all ages.

Major programs and regular activities at all American Corners include American speakers, American

movie screenings, English language classes, storytelling and book clubs, debate and discussion clubs, MakerSpace activities and U.S. holiday celebrations.

American Corners offer important learning, collaboration, and communication resources, such as books, films, games, MakerSpace equipment including 3D printers, and internet access.

How can we benefit from the Corners?

Improve your English language skills;

Learn about opportunities to study at universities in the U.S.;

Expand your knowledge of leadership and entrepreneurship;

Attend interesting public programs in English and Georgian languages;

Explore American holidays and traditions;

Learn about American society and democratic values;

Get hands-on experience using modern technologies;

Access more than 6,000 books covering a range of topics and 500+ audio and video materials;

Play over 30 games designed for people of different ages;

Use these resources to develop your own ideas and projects; and

Make friends and meet like-minded people.

Extraordinary Ability -> Description: You must be able to demonstrate extraordinary ability in the **sciences**, arts, education, business, or athletics through sustained national or international acclaim.

Extraordinary Ability -> Evidence: You must meet at least 3 of the 10 criteria* below, or provide evidence of a one-time achievement (i.e., Pulitzer, Oscar, Olympic Medal) as well as evidence showing

that you will be continuing to work in the area of your expertise. **No offer of employment or labor certification is required (but Beneficiary has - Statement of Beneficiary on Work Plans in the United States - My useful ideas of IT and Web projects for the United States of America).**

*** Criteria for Demonstrating Extraordinary Ability**

In order to demonstrate you have sustained national or international acclaim and that your achievements have been recognized in your field of expertise, you must either include evidence of a one-time achievement (major internationally-recognized award) or 3 of the 10 listed criteria below (or comparable evidence if any of the criteria do not readily apply):

1. Evidence of receipt of lesser nationally or internationally recognized prizes or awards for excellence;
2. Evidence of your membership in associations in the field which demand outstanding achievement of their members;
3. Evidence of published material about you in professional or major trade publications or other major media;
4. Evidence that you have been asked to judge the work of others, either individually or on a panel;
5. Evidence of your original scientific, scholarly, artistic, athletic, or business-related contributions of major significance to the field;
6. Evidence of your authorship of scholarly articles in professional or major trade publications or other major media;
7. Evidence that your work has been displayed at artistic exhibitions or showcases;
8. Evidence of your performance of a leading or critical role in distinguished organizations;
9. Evidence that you command a high salary or other significantly high remuneration in relation to others in the field;
10. Evidence of your commercial successes in the performing arts;

Dear Immigration Officer:

The following evidence is respectfully submitted in support of **Mr. Vladislav Gurabanidze (scientist)** petition for classification as a qualified immigrant under the preference of aliens with extraordinary ability. This evidence will specifically demonstrate that **Mr. Vladislav Gurabanidze** qualifies for the classification under Section 203(b)(1)(A) of the Immigration and Nationality Act [8 U.S.C. 1153] as an alien with extraordinary ability due to the following reasons:

Part 1) Mr. Vladislav Gurabanidze possesses extraordinary ability in **science**, specifically in **IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**, which has been demonstrated by sustained national and international acclaim and his achievements have been recognized in the field through extensive documentation. (Please refer to **Section 1.**)

Part 2) Mr. Vladislav Gurabanidze has a level of expertise indicating that he is one of that small percentage who has risen to the very top of the **science [computer science] (specifically in IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**. (Please refer to **Sections 1 [A], Sections 1 [B], Sections 1 [C].**)

Part 3) Mr. Vladislav Gurabanidze provides evidence that he satisfies **9 [nine] (i, ii, iii, v, vi, vii, viii, ix, x) (1, 2, 3, 5, 6, 7, 8, 9, 10)** of ten (10) criteria listed in 8 CFR, Section 204.5(h)(3), namely:

(Part 3.1) Documentation of **Mr. Vladislav Gurabanidze** receipt of national and internationally recognized prizes and awards for excellence in the field of endeavor. (1. Evidence of receipt of lesser nationally or internationally recognized prizes or awards for excellence). (Please refer to **Section 1[1].**)

(Part 3.2) Documentary evidence of **Mr. Vladislav Gurabanidze** membership in major associations. (2. Evidence of your membership in associations in the field which demand outstanding achievement of their members). (Please refer to **Section 1[2].**)

(Part 3.3) Evidence of published material about **Mr. Vladislav Gurabanidze** in major trade publications and other major media. (journal, newspapers, websites, TV and etc.). (3. Evidence of published material about you in professional or major trade publications or other major media). (Please refer to **Section 1[3].**)

(Part 3.4) – N/A;

(Part 3.5) Evidence of the original contribution of **Mr. Vladislav Gurabanidze** of great importance to the science (Computer science, IT, Web, E-commerce). (5. Evidence of your original scientific, scholarly, artistic, athletic, or business-related contributions of major significance to the field). (Please refer to **Section 1[5]**.)

(Part 3.6) Evidence of **Mr. Vladislav Gurabanidze** authorship of scholarly articles in the field in professional media. (6. Evidence of your authorship of scholarly articles in professional or major trade publications or other major media). (Please refer to **Section 1[6]**.)

(Part 3.7) Evidence of **Mr. Vladislav Gurabanidze** work (web projects, web design) has been displayed at artistic exhibitions or showcases. (7. Evidence that your work has been displayed at artistic exhibitions or showcases). (Please refer to **Section 1[7]**.)

(Part 3.8) Evidence of **Mr. Vladislav Gurabanidze** had (or/and) has performance of a leading or critical role in distinguished organizations. (8. Evidence of your performance of a leading or critical role in distinguished organizations). (Please refer to **Section 1[8]**.)

(Part 3.9) Evidence of **Mr. Vladislav Gurabanidze** had (or/and) has command a high salary or other significantly high remuneration in relation to others in the field. (9. Evidence that you command a high salary or other significantly high remuneration in relation to others in the field). (Please refer to **Section 1[9]**.)

(Part 3.10) Evidence of **Mr. Vladislav Gurabanidze** had (or/and) has commercial successes in the performing arts. (10. Evidence of your commercial successes in the performing arts). (Please refer to **Section 1[10]**.)

Part 4) **Mr. Vladislav Gurabanidze** work will substantially benefit prospectively the United States. (Please refer to **Section 2)**

Part 5) In the United States, **Mr. Vladislav Gurabanidze** plans to continue work in the area of **science [computer science] (specifically in IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**. (Please refer to the **Statement of Beneficiary on Work Plans in the United States (My useful ideas of IT and Web projects for the United States of America)**).

Pursuant to 8 CFR, Section 204.5(h)(1), **Mr. Vladislav Gurabanidze** may file an I-140 visa petition for classification under Section 203(b)(1)(A) of the Act as an alien of extraordinary ability on his own behalf.

Pursuant to 8 CFR, Section 204.5(h)(5), neither an offer for employment in the United States nor a labor certification is required for this classification.

Mr. Vladislav Gurabanidze

Section 1.

Mr. Vladislav Gurabanidze is an alien of extraordinary ability in **science [computer science] (specifically in IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**, which has been demonstrated by sustained national and international acclaim (also great contributions to this science). **Mr. Vladislav Gurabanidze** achievements are extensively documented.

Section 1 [A]. **Mr. Vladislav Gurabanidze** is an expert in the field of **Information Technology (IT) / Web / Programming / Computer science** with **over 20 years** of work experience in the exact area of proposed employment.

(Please see **exhibit 1**, CV/Resume of Vladislav Gurabanidze), see web URL, click here:

http://makler24.ge/doc/3/0.vladislav_gurabanidze_eng.pdf

Vladislav worked with complex and leading web projects for the President of Georgia (when he was 22 years old), the Prime Minister of Georgia, the Government of Georgia, the US Embassy in Georgia, companies outside Georgia, companies in the UK, collaborated with well-known companies and organizations.

Many times he had interviews in TV, press, newspaper about his leading role in the web industry.

He worked in large and well-known companies. He received awards, prizes, diplomas and

commendations. His role in the web industry is very high, he has reached great heights in the field of information technology and computer science, he has shown that he can solve complex problems and is always attracted to well-known companies and organizations.

He has a creative mind that can come up with new creative ideas in the IT and web industry.

Irakli Tkemaladze work/worked in U.S. Department of State (U.S. Embassy in Georgia) (position: Web master), Flash Design Studio, web site: www.flash.ge (position: Art Director / Founder), Georgian Public Broadcasting (GPB), web site: www.1tv.ge (position: Web master), Saatec LLC, web site: www.saatec.com (position: Web master).

Irakli Tkemaladze confirms that Vladislav Gurabanidze has made and will make a significant contribution to science and he had and has performance of a leading or critical role in distinguished organizations and companies, he says the following:

We have cooperated on numerous projects with Vladislav Gurabanidze, who has significantly contributed to our company with his knowledge, responsibility and demonstrated himself as hardworking and outstanding employee. Vladislav is exemplary IT professional who helped us grow younger generations and assisted them in becoming professionals. I am personally sure that with his background and knowledge in IT industry Vladislav will benefit and move forward any company that he will work for as he did at Flash Studio.

Niko (Nika) Gogoladze is founder of CGroup. CGroup (Web Development Company) Website:

www.cgroup.ge , www.turebi.ge , <https://www.youtube.com/watch?v=M6DluYHVmYU>

Niko (Nika) Gogoladze confirms that Vladislav Gurabanidze has made and will make a significant contribution to science and he had and has performance of a leading or critical role in distinguished organizations and companies, he says the following:

Vladislav Gurabanidze is a highly qualified professional. He has contributed greatly to the

development of web technologies in Georgia and abroad. Too many web specialists would like to work with him as he has total creative ideas and can come up with these ideas and bring them to an end. It is from this experience that I can judge that Vladislav Gurabanidze is an exemplary professional who will make a significant contribution to the American web technology. I think he will use his vast experience and do a lot of useful web projects for America. Is a very honest and decent person.

Shalva Kavtaradze is Front end developer on Adjarabet, web site: www.adjarabet.com (and Toptal - Freelance Toptal UI Developer, web site: www.toptal.com)

Shalva Kavtaradze confirms that Vladislav Gurabanidze has made and will make a significant contribution to science and he had and has performance of a leading or critical role in distinguished organizations and companies, he says the following:

Vladislav Gurabanidze is a great specialist and professional in his field, he made a great contribution to the development of web technologies in Georgia. Too many web specialists would like to work with him, he is a talented person and also very hardworking. I think this will make a significant contribution to the American web technology. He will use his talent and potential to create many good and useful web projects.
