Tools for the job

Outlook

We use Outlook to send documents and official correspondence with a large number of people from different departments.

When you enter the mail, you will find a letter with a username and password to enter the corporate portal.

home.action-mcfr.ru

Our portal is a social network for our own people. On the portal, data on all employees - their position, contacts and in which office they can be found.

On the first day, you need to make an appointment with a photographer so that you have a beautiful photo in your profile and on your personal pass.

Rocket chat - rocketchat.action-media.ru

In this chat, the entire IT department solves operational issues. Entering the chat through the corporate portal.

Jira, Confluence and Git

You yourself know very well about these guys. Login with login (part of the email address before @) and password.

Who to contact with questions

Action is a big company. We occupy all eight floors of the building. Therefore, further there will be an orientation on the terrain, namely - who, where and on what issues to look for.

Holidays, sick leave, personnel issues
