- (Please see **exhibit 68**);

The Gallery’s main sphere of activity is the popularization of contemporary Georgian fine, decorative, and applied art. The gallery has a permanent exhibition of individual artists for sale and prepares official documents for the export of art and crafts items.

Art space "Art Gallery Vake" Ir. Abashidze N 47

(Founder Ekaterine Reisner Tel. 53 93 93 32 12)

Is a gallery of fine arts, which carries out personal and mixed exhibitions of contemporary artists, sales, promotions, etc. On holidays.

The main activities of the gallery concept are:

Popularization of young and unknown as well as self-taught artists in order to motivate and further their development. The gallery constantly exhibits paintings and graphic works by famous and unknown artists. Painting-cloisonne or cloisonne enamel. Small sculptures, artistic glass, high quality artistic handmade wooden and bronze items. The viewer is given the opportunity to both view and purchase them.

- (Please see **exhibit 37**);

- (Please see **exhibit 37A**);

A web specialist is specifically a webmaster. The profession of a webmaster includes the profession of a web programmer (Front-End Developer, Back-End Developer, Full Stack Developer, Web Developer) who creates programs, who writes code in a programming language, and also the profession of a web designer who creates graphic design for websites. Besides the fact that Vladislav Gurabanidze is a web programmer, he is also a web designer - he is a web specialist (web programmer and web designer). He also created many web designs for websites, he made an exhibition of web designs that he created in the course of his work.

Section 1.10.2)

See Section 1.8.1) and See Section 1.7.2)

The U.S. Embassy in Georgia, Tbilisi cooperated with me (Vladislav Gurabanidze) and ordered me to create a www.americancorners.ge web project (2008 year).

I created the web project www.americancorners.ge for The U.S. Embassy in Georgia.

When I created the web project www.americancorners.ge, I had been invited to The U.S. Embassy in Georgia (2008 year), Tbilisi, I made a presentation (show, exhibition of web site) of this project and after showing this project, I conducted a training session for the employees of this project, I taught them how to use the control panel (CMS) of this web projects.

The employees came from different regions.

I found on the Internet one of the employees who worked in the American Corners / Batumi city, she can confirm that I did web project's presentation and after I did American Corners's of Georgia employees instructing (Web site CMS) in The U.S. Embassy in Georgia, Tbilisi.

Below I will write her details and contact information. She will confirm my information (call [english] or send email):

She worked in the American Corners / Batumi city

Given name, surname: **Shorena Dolaberidze**

Extraordinary Ability -> Description: You must be able to demonstrate extraordinary ability in the **sciences**, arts, education, business, or athletics through sustained national or international acclaim.

Extraordinary Ability -> Evidence: You must meet at least 3 of the 10 criteria* below, or provide evidence of a one-time achievement (i.e., Pulitzer, Oscar, Olympic Medal) as well as evidence showing that you will be continuing to work in the area of your expertise. No offer of employment or labor certification is required (but Beneficiary has - Statement of Beneficiary on Work Plans in the United States - My useful ideas of IT and Web projects for the United States of America).

*** Criteria for Demonstrating Extraordinary Ability**

In order to demonstrate you have sustained national or international acclaim and that your achievements have been recognized in your field of expertise, you must either include evidence of a one-time achievement (major internationally-recognized award) or 3 of the 10 listed criteria below (or comparable evidence if any of the criteria do not readily apply):

1. Evidence of receipt of lesser nationally or internationally recognized prizes or awards for excellence;

2. Evidence of your membership in associations in the field which demand outstanding achievement of their members;
3. Evidence of published material about you in professional or major trade publications or other major media;
4. Evidence that you have been asked to judge the work of others, either individually or on a panel;
5. Evidence of your original scientific, scholarly, artistic, athletic, or business-related contributions of major significance to the field;
6. Evidence of your authorship of scholarly articles in professional or major trade publications or other major media;
7. Evidence that your work has been displayed at artistic exhibitions or showcases;
8. Evidence of your performance of a leading or critical role in distinguished organizations;
9. Evidence that you command a high salary or other significantly high remuneration in relation to others in the field;
10. Evidence of your commercial successes in the performing arts;

Dear Immigration Officer:

The following evidence is respectfully submitted in support of **Mr. Vladislav Gurabanidze (scientist)** petition for classification as a qualified immigrant under the preference of aliens with extraordinary ability. This evidence will specifically demonstrate that **Mr. Vladislav Gurabanidze** qualifies for the classification under Section 203(b)(1)(A) of the Immigration and Nationality Act [8 U.S.C. 1153] as an alien with extraordinary ability due to the following reasons:

Part 1) Mr. Vladislav Gurabanidze possesses extraordinary ability in **science**, specifically in **IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**, which has been demonstrated by sustained national and international acclaim and his achievements have been recognized in the field through extensive documentation. (Please refer to **Section 1**.)

Part 2) Mr. Vladislav Gurabanidze has a level of expertise indicating that he is one of that small percentage who has risen to the very top of the **science [computer science] (specifically in IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**. (Please refer to **Sections 1 [A], Sections 1 [B], Sections 1 [C]**.)

Part 3) Mr. Vladislav Gurabanidze provides evidence that he satisfies **9 [nine] (i, ii, iii, v, vi, vii, viii, ix, x) (1, 2, 3, 5, 6, 7, 8, 9, 10)** of ten (10) criteria listed in 8 CFR, Section 204.5(h)(3), namely:

(Part 3.1) Documentation of **Mr. Vladislav Gurabanidze** receipt of national and internationally recognized prizes and awards for excellence in the field of endeavor. (1. Evidence of receipt of lesser nationally or internationally recognized prizes or awards for excellence). (Please refer to **Section 1[1]**.)

(Part 3.2) Documentary evidence of **Mr. Vladislav Gurabanidze** membership in major associations. (2. Evidence of your membership in associations in the field which demand outstanding achievement of their members). (Please refer to **Section 1[2]**.)

(Part 3.3) Evidence of published material about **Mr. Vladislav Gurabanidze** in major trade publications and other major media. (journal, newspapers, websites, TV and etc.). (3. Evidence of published material about you in professional or major trade publications or other major media). (Please refer to **Section 1[3]**.)

(Part 3.4) – N/A;

(Part 3.5) Evidence of the original contribution of **Mr. Vladislav Gurabanidze** of great importance to the science (Computer science, IT, Web, E-commerce). (5. Evidence of your original scientific, scholarly, artistic, athletic, or business-related contributions of major significance to the field). (Please refer to **Section 1[5]**.)

(Part 3.6) Evidence of **Mr. Vladislav Gurabanidze** authorship of scholarly articles in the field in professional media. (6. Evidence of your authorship of scholarly articles in professional or major trade publications or other major media). (Please refer to **Section 1[6]**.)

(Part 3.7) Evidence of Mr. Vladislav Gurabanidze work (web projects, web design) has been displayed at artistic exhibitions or showcases. (7. Evidence that your work has been displayed at artistic exhibitions or showcases). (Please refer to **Section 1[7]**.)

(Part 3.8) Evidence of Mr. Vladislav Gurabanidze had (or/and) has performance of a leading or critical role in distinguished organizations. (8. Evidence of your performance of a leading or critical role in distinguished organizations). (Please refer to **Section 1[8]**.)

(Part 3.9) Evidence of Mr. Vladislav Gurabanidze had (or/and) has command a high salary or other significantly high remuneration in relation to others in the field. (9. Evidence that you command a high salary or other significantly high remuneration in relation to others in the field). (Please refer to **Section 1[9]**.)

(Part 3.10) Evidence of Mr. Vladislav Gurabanidze had (or/and) has commercial successes in the performing arts. (10. Evidence of your commercial successes in the performing arts). (Please refer to **Section 1[10]**.)

Part 4) Mr. Vladislav Gurabanidze work will substantially benefit prospectively the United States. (Please refer to **Section 2**)

Part 5) In the United States, Mr. Vladislav Gurabanidze plans to continue work in the area of **science [computer science] (specifically in IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**. (Please refer to the **Statement of Beneficiary on Work Plans in the United States (My useful ideas of IT and Web projects for the United States of America)**).

Pursuant to 8 CFR, Section 204.5(h)(1), Mr. Vladislav Gurabanidze may file an I-140 visa petition for classification under Section 203(b)(1)(A) of the Act as an alien of extraordinary ability on his own behalf.

Pursuant to 8 CFR, Section 204.5(h)(5), neither an offer for employment in the United States nor a labor certification is required for this classification.

Mr. Vladislav Gurabanidze

Section 1.

Mr. Vladislav Gurabanidze is an alien of extraordinary ability in **science [computer science] (specifically in IT/Web (Web Developer, Web Designer [Soc code: 15-1250, Software and Web Developers, Programmers])**, which has been demonstrated by sustained national and international acclaim (also great contributions to this science). **Mr. Vladislav Gurabanidze** achievements are extensively documented.

Section 1 [A]. **Mr. Vladislav Gurabanidze** is an expert in the field of **Information Technology (IT) / Web / Programming / Computer science** with **over 20 years** of work experience in the exact area of proposed employment.

(Please see **exhibit 1**, CV/Resume of Vladislav Gurabanidze), see web URL, click here:

http://makler24.ge/doc/3/0.vladislav_gurabanidze_eng.pdf

Vladislav worked with complex and leading web projects for the President of Georgia (when he was 22 years old), the Prime Minister of Georgia, the Government of Georgia, the US Embassy in Georgia, companies outside Georgia, companies in the UK, collaborated with well-known companies and organizations.

Many times he had interviews in TV, press, newspaper about his leading role in the web industry.

He worked in large and well-known companies. He received awards, prizes, diplomas and commendations. His role in the web industry is very high, he has reached great heights in the field of information technology and computer science, he has shown that he can solve complex problems and is always attracted to well-known companies and organizations.

He has a creative mind that can come up with new creative ideas in the IT and web industry.

Irakli Tkemaladze work/worked in U.S. Department of State (U.S. Embassy in Georgia) (position: Web master), Flash Design Studio, web site: www.flash.ge (position: Art Director / Founder), Georgian Public Broadcasting (GPB), web site: www.1tv.ge (position: Web master), Saatec LLC, web site: www.saatec.com (position: Web master).

Irakli Tkemaladze confirms that Vladislav Gurabanidze has made and will make a significant contribution to science and he had and has performance of a leading or critical role in distinguished organizations and companies, he says the following:

We have cooperated on numerous projects with Vladislav Gurabanidze, who has significantly contributed to our company with his knowledge, responsibility and demonstrated himself as hardworking and outstanding employee. Vladislav is exemplary IT professional who helped us grow younger generations and assisted them in becoming professionals. I am personally sure that with his background and knowledge in IT industry Vladislav will benefit and move forward any company that he will work for as he did at Flash Studio.

Niko (Nika) Gogoladze is founder of CGroup. CGroup (Web Development Company) Website:

www.cgroup.ge , www.turebi.ge , <https://www.youtube.com/watch?v=M6DluYHVmYU>

Niko (Nika) Gogoladze confirms that Vladislav Gurabanidze has made and will make a significant contribution to science and he had and has performance of a leading or critical role in distinguished organizations and companies, he says the following:

Vladislav Gurabanidze is a highly qualified professional. He has contributed greatly to the development of web technologies in Georgia and abroad. Too many web specialists would like to work with him as he has total creative ideas and can come up with these ideas and bring them to an

end. It is from this experience that I can judge that Vladislav Gurabanidze is an exemplary professional who will make a significant contribution to the American web technology. I think he will use his vast experience and do a lot of useful web projects for America. Is a very honest and decent person.

Shalva Kavtaradze is Front end developer on Adjarabet, web site: www.adjarabet.com (and Toptal - Freelance Toptal UI Developer, web site: www.toptal.com)

Shalva Kavtaradze confirms that Vladislav Gurabanidze has made and will make a significant contribution to science and he had and has performance of a leading or critical role in distinguished organizations and companies, he says the following:

Vladislav Gurabanidze is a great specialist and professional in his field, he made a great contribution to the development of web technologies in Georgia. Too many web specialists would like to work with him, he is a talented person and also very hardworking. I think this will make a significant contribution to the American web technology. He will use his talent and potential to create many good and useful web projects.
